Issue Paper Regarding Building 865/883 Work Activities; Meeting notes	
Issue Paper Regarding Building 865/883 Work Activities - A meeting was held on May 31, 2000 with Colorado Department of Public Health and Environment (CDPHE), US Department of Energy (DOE), and Kaiser-Hill Company, L.L.C. (K-H) to discuss the State's comments on the Beryllium report for Buildings 865 and 883. The report was prepared as part of the Site response to the implementation of the Chronic Beryllium Disease Program for worker safety. While not in an official capacity, per se, the State decided to offer their comments in order to help with future documents that may be prepared as official deliverables.
